Summer Reading Assignment

You will keep a reading journal as you read this book. Read a chapter and then write a **paragraph** summarizing the events that took place. End each journal entry with a **reaction** to what has just happened in the story or a **prediction** about what might happen next. No entry should be more than 1/3 to 1/2 page of notebook paper. Be brief and to the point!

Example (after reading *The Three Little Pigs*):

Chapter 1

The three pigs travel out into the world to build their own home. Each pig finds a different material with which to construct his little house. One pig acquires straw, one gathers sticks, and one manages to get some bricks. They begin building their home and dream of the joys of home ownership.

I think that the pigs will probably go out into the world and search for a *Mrs. Pig* because living alone is no fun.
