ReENROLLMENT

Count down has begun! We are fast approaching the February 1 deadline for submitting your contract of re-enrollment. Have you already turned yours in to the Admissions Office with your Enroll Fee and Tuition Refund Plan? Good for you! As some of you have found, we are still experiencing technical difficulties with the online portion of the process. Therefore, we are extending the deadline for updating the online data. At this time, we are moving that deadline to February 16. Should anything else “break” with the new procedures we will extend it further, if necessary. It now appears the online process will be reactivated by this Monday, which, ironically, was the original deadline!

An additional reminder...If you are filing for Student Tuition Assistance, you must have your application completed by March 1. The application is available on our website under Parent Links, All School, Financial Assistance. Or you may simply go to <http://sss.nais.org/parents/> on your browser.

Field Trip on Thursday, January 21. They were studying Bears last week so they went off to build a bear. The kids picked out a polar bear and named it "Snowbear" they also picked out a fisherman outfit since bears eat fish. "Snowbear" is now their classroom mascot. On Friday they had their Hibernation Day, the kids came dressed in their pjs and had a bear cave in the classroom. They ate gummy bears, teddy grahams and drank "beary" juice, then watched a movie in the cave "Bear Snores On." The kids enjoyed laying around and being "beary" lazy. And not to be outdone the dinosaurs were discovered!

SAMARITAN'S PURSE

MS/US students continue to bring their money for the "Samaritan's Purse" service project. The 6th and 7th grades have had bake sales during lunch to raise money for this endeavor. Advisory groups have selected items they want to purchase in order to make a difference in the lives of people around the world. Haiti earthquake relief is one of the areas that Samaritan's Purse supports. Encourage your student to bring money to participate. The group that collects the most money will be awarded three community service hours per individual. Interested in learning more about this organization? Log onto www.samaritanspurse.org.

The 6th grade girls advisory held a bake sale during the LS, MS and US lunches. They raised a total of \$378.01 for the Samaritan's Purse project. The entire Middle School is collecting money to build a home for a needy family through Samaritan's Purse. Thank you to all of those who participated. We had an incredible turnout. A special thank you to Karen Niles, Leah Glenn and Vangie Clark for supervising the girls during this time. The girls worked hard and had a great time! [CLICK HERE](#) for pics!

UPPER AND MIDDLE SCHOOL TRACK - [Click here](#) for Schedules

Building on the success of the 2009 team that brought much recognition to The Brook Hill School, the 2010 Upper School Track and Field Team will compete this year in the most extensive meet scheduled in school history. With returning state champions in two events, and multiple other state and regional qualifiers, the school will hope for late season team success in the championship season. The early season will focus on the technical aspects of the sport and extensive conditioning, while athletes compete in a variety of events to find their best capability.

Parents should watch for upcoming e-mails and announcements about parent meetings and other track events, including the names of the athletes that have earned recognition on the record board in the Kyle Lake Athletic Center.

Brook Hill will be hosting numerous track meets this year that will benefit not only the track and field program, but also the entire athletic department. Although our athletes will be given leadership roles and responsibility of helping with these events, parent volunteers are desperately needed, particularly if they have a history in track and field. If you would like to help, please send an e-mail to Marla Clements at mclements@brookhill.org.
