# O.A.S.I.S. Week

## "Others Are Served Instead of Self"

### March 29-April 1

### **WHAT IS O.A.S.I.S.?**

"Others Are Served Instead of Self" Week at Brook Hill is a week with multi-faceted purposes. The first purpose is to challenge the students with a series of messages from our guest speaker. The point is driven home through daily chapels, our guest band, and classroom interactions. The second aspect of the week is offering special events for our students to engage with our guest speaker and band members in a more relaxed atmosphere. This is accomplished with fun competitions and a Coffee House evening. Perhaps the most powerful dimension of this week is the Service Project Day. All Middle School and Upper School students will go out into the Bullard and Tyler communities to volunteer for various organizations. Parent drivers are still needed for various groups. Students will also be bringing canned goods beginning this week through April 30 to benefit the Community Food Pantry in Noonday.

### **WHO IS JOE SCHMIDT?**

Our guest speaker for OASIS week is Joe Schmidt or "Brother Joe" as he is known by students. For more than 20 years Brother Joe has been working with young people all over the world in various settings. He utilizes music (he plays the guitar), songs (fun, action and learning ones), illusions (how did he do that?), object lessons (Bible lessons using everyday stuff), games (helps students remember what they have learned), and stories with Biblical application. Brother Joe will teach, challenge, entertain and encourage our students to not only get on the right track, but to stay on the right tract and be all that they can be for their growth and for the sake of the Kingdom. The life-changing truth of the gospel will be presented in an age-appropriate manner at both our MS and US chapels. For more information on his ministry, check out [www.bro-joe.com](http://www.bro-joe.com).

### **WHO IS PERFECT PEACE?**

The guest band this week is Perfect Peace. The band is made up of four guys from a small town in Arkansas that now lives in Nashville, Tennessee. They use their music as a catalyst to deliver the message that thrives in their hearts. In the words of the members, "A life giving message behind every song is our main goal. With songs such as 'Thanks To You', 'I Believe' and 'Harmony', we are trying to send out a message that the world needs to hear. A chance to witness through our music is the calling God has placed on our hearts. We are hitting the road with our faith and prepared to experience the heart of worship everywhere we go." Visit [www.perfectpeaceband.com](http://www.perfectpeaceband.com) for more information on this outstanding group! T-shirts and CD's will be on sale during the week for \$15 and \$10, respectively.
