If any moms would like to help with the picture process, we need several to help gather the students from their classrooms straighten and tuck in clothes, comb and place hair, etc... If you would like to help, please let Mrs. Stephenson know via e-mail at tstephenson@brookhill.org by Monday, September 7th.

SILLY BANDS

Although a cute, clever, and fun product - Silly Bands (the elastic bands formed into a variety of shapes, colors and designs) are beginning to be a problem. We are asking that they not be worn at school. They are so cute and fun that students cannot resist playing with them while in class or at chapel. Let's save them for times other than at school. More importantly, some kids are wearing such an abundance of these Silly Bands that they are cutting their circulation off at the wrist.
