

Parent-led College Trip Guidelines & Deadlines

These dates **MUST** be adhered to, or you will lose the option of having a college trip.

As an option to participating in a SPARC trip or local course, The Brook Hill School allows a student to visit a college or colleges with a parent during SPARC week. Through this parent-led trip, the school hopes that the student and parents will become familiar with a college the student will possibly attend after graduating from Brook Hill.

Guidelines:

The student and parent will both attend the college(s) for a tour. After completing the tour, the student must complete a questionnaire for each college visited. This form(s) must be returned to Mrs. Mize or Mrs. Hays by March 21, 2017.

Deadlines:
