Summer Reading 2017

Congratulations on completing your sophomore year of high school! This summer you will be expected to read Ray Bradbury's *Fahrenheit 451* (ISBN: 978-1451673319).

- Annotate the book- mark key passages, words, ideas, etc. It is not only important that you read, but that you read with purpose.
- You will be tested over this novel during the **first full week** of school.
- Come prepared! In preparation for your test, you don't have to prepare any study questions; just read - read the book and you will do well on the test.

Email me at emattay@brookhill.org if you have any questions about this assignment. I look forward to seeing you in August!
