The Brook Hill School Financial Aid Policies

1. Financial Aid is awarded based solely upon financial need and availability. Financial Aid applications are evaluated by FAST, a secure third party company powered by ISM. Applications are then taken before a Financial Aid Committee for review.
2. Financial Aid is granted on an annual basis. Receiving a Financial Aid award for one school year does not guarantee that a family will receive the same, if any, award in future years. Families must re-apply and re-qualify each school year.
3. Financial Aid awards are confidential. The Financial Aid Committee upholds strict confidentiality; likewise, we request the specifics of a Financial Aid award be kept confidential by the family.
4. For new students, an application for admission to the school must be submitted before an application for Financial Aid is reviewed. Financial Aid awards will be provided after acceptance.
5. For returning students, Online Re-Enrollment for the upcoming school year must be completed before a Financial Aid application will be reviewed and an award provided.
6. Financial Aid awards apply to tuition only and do not apply to lunch, enrichment trip, or enrollment fees.
7. For returning students, Financial Aid applications must be submitted by March 22, 2018 for the 2018-2019 school year. To ensure review, it is necessary that applications be submitted by the above date.

Please see our website for further instructions on completing the Financial Aid Application.
