- 2. **Do not** block the flow of traffic along the curb.
- 3. Do drive slowly, less than 5 mph.
- 4. When loading or unloading make sure your car is in "Park."
- 5. **Do not** block the Rather Street entrance Bullard police will ticket you.

Afternoon Pick-Up

A little preparation is necessary to make our pick up experience successful. You need to create a 9x12 "pickup sign" with the following information printed boldly and neatly on it:

LAST NAME FIRST NAME: GRADE FIRST NAME: GRADE

Please be sure the lettering is large and dark enough to read through the front windshield. Make several copies to carry in any of the cars of people authorized to pick up your child. Do not remove the sign until your child is safely tucked in and belted inside your vehicle. Signs should be hung from the rear view mirror or displayed clearly in the window.

Enter and wait in line along the right or left side of the road, forming two lines. The carpool staff will call your child's name and station number. While waiting for your child to be loaded, please put your vehicle in "PARK" so we won't have any accidents pinning children or staff between your car and the car in front of you. Students will not be loaded along the grassy areas. Do not move until directed to do so. Once all stations have been loaded, you will be directed to follow the car in front of you around the flagpole and out the Rather Street gate.

Remember:

- 1. **Do not** use your cell phone while your car is in motion or in pick up zone.
- 2. **Do not** use the Boarding House road.
- 3. **Do not** block the flow of the car pool lane by parking and exiting your car.
- 4. Drive slowly; little ones at risk.
- 5. When loading or unloading make sure your car is in "Park."
- 6. **Do not** block egress on Rather Street Bullard Police will ticket you.

We also ask the following:

Because of the number of students we need to get safely into the correct automobile, we ask that you **NOT** come into the building to converse with staff during car pool time. Wait until car pool is finished before coming to visit.

Pedestrian Pick-Up Procedures

- 1. Park your car in the grass lot and cross to the end of the sidewalk (do not cross diagonally).
- 2. Walk up to the far door near the Gymatorium outside the Rotunda under the <u>Pedestrian Pick Up</u> sign.
- 3. Sign up on the clipboard.
- 4. We will call students, ten at a time, after each wave of cars in the car line have been loaded.
- When your student(s) meets you outside the Rotunda, walk them to your car. Please go to the end of the sidewalk before crossing to the grass lot. Do not cross diagonally.

Chapel

On most Wednesdays, chapel for all students will take place in the Kimrey Gymatorium, from 9:45-10:30. Parents are welcome to attend and worship with us. Visitor seating will be in the back. If you are just attending chapel, you will not need to stop in the office to secure a pass. Go straight to chapel. If you have to go anywhere besides chapel, you will need to sign in the office.

Community Service

Following the tradition of The Brook Hill School, which encourages its students to put others ahead of self, the Lower School will be involved in Community Service projects. The Lower School program for Community Service will be done by each classroom. Each class will determine a class project that will put others ahead of self by benefiting some group of people in meaningful and authentic ways.

Dress Guidelines - Uniforms

Proper attire has been selected for The Brook Hill Lower campus students in accordance with Biblical principles and teachings which will not (1) offend fellow students, staff, or administrators; (2) call attention to the individual student; or (3) distract from the teaching and learning environment. The administration reserves the right to determine if a student is dressed or groomed appropriately.

Standard of Dress

- 1. All general uniform guidelines must be followed every day with the Daily uniform, Chapel uniform, and Friday Dress, including field trips, guest speaker days, and other special events unless announced by the administrator.
- 2. Academy Uniform is the standard of uniform clothing. Approved clothing items can be purchased

at Academy Uniform Store (see below) or the Brook Hill used uniform closet. (Please Note: Academy Sports and Outdoors is not the official uniform store.)

- 3. Logos and crests must be the official ones in size, color, and design.
- We encourage students to be neat and well groomed. Shirttails are to remain tucked in during the school day. Pants or shorts with belt loops must be worn with belts.
- 5. Something that a student wears that is within the dress code guidelines but becomes a distraction to other students or the classroom can be prohibited at the teacher's or administration's request.
- Length Guideline: All skorts, skirts, shorts, or jumpers must at least 3 inches from the top of the knee (or a dollar bill folded in half from the top of the knee) The back side of the skort, skirt, shorts, or jumper must also meet this guideline.
- 7. *Boys*: hair style neat and clear of the eyebrows and bottom of the ears. No earrings or body piercings.
- 8. *Girls*: earrings should be studs only, not dangling; no other body piercings; hair accessories in navy, orange, and/or white; make up should not be worn; no extremes in hair length, style, or color.
- 9. Jewelry should not call attention to the individual student or become a distraction. Consequences for distractions concerning jewelry will be at the discretion of the classroom teacher.
- 10. Not acceptable at the Lower Campus:
 - a. Sandals, open back or open toed shoes, light-up shoes, boots, or sparkle shoes.
 - Skorts, skirts, shorts, or jumpers which are shorter than 3 inches from the top of the knee (or a dollar bill folded in half from the top of the knee)
 - c. Caps or hats (except on special days announced by the administrator)
 - d. Coats and jackets which do not follow the "Warmth guidelines" dress code

Uniforms can be ordered on-line or you can visit their store at: Bergfeld Center 105 East 8th Street Tyler, TX 75701 (903)266-9126 helpmeTyler@academyuniforms.com

Consequences of Noncompliance

1. If articles of clothing are not in compliance with the dress code, parents will be notified and the student

will lose the Friday casual dress privileges for that given week.

2. If the issue continues, parents will be called upon to bring the student the correct clothing item or shoes during the school day. The student will be sent to the office to call his/her parents, which will result in a tardy as well as no Friday casual dress.

Field Trips

The educational program will include class excursions such as trips to museums, art galleries, and other places of interest. These trips will enhance the educational experience for Lower School scholars. The principal approves all trips and methods of transportation. A parental consent form is required at the beginning of each school year as part of the application process and is kept on file in the office.

A field trip information sheet containing all necessary information should be sent home with students one week prior to the field trip. It will not be necessary to sign another permission slip. It is just information. If private vehicles are being used to transport students for a field trip, a volunteer driver form must be signed and on file in the school office. No student is to ride with anyone other than his or her parent or guardian unless prior written consent, with a parent or guardian's signature, has been submitted and approved by the office.

Field Trip Guidelines for Parents

If you've been asked to accompany and drive for your child's class's field trip, you will have the following responsibilities:

- As chaperone you will be put in charge of a small group of children for which you will be responsible. Their safety, comfort, and enjoyment will be in your hands.
- 2. Have a clear background check completed.
- 3. Turn into the office a copy of your license and proof of insurance before the field trip.
- 4. Understand that you are acting as a chaperone and as such, you are under the directions of the teacher(s).
- Additionally, you will insure that the objectives for the trip will be met for each child in your group. Often the teacher will have assignments to accomplish while on this experience.
- Adhere to the seating arrangements in each vehicle. The teacher(s) will have some purpose for putting students together.
- 7. Siblings need to be left at home or with another care giver.

While in your vehicle the following will apply:

- 1. All children will be in a seat of their own with their own seatbelt.
- 2. You will insure that whenever your car is moving, your passengers are in a properly adjusted seatbelt and sitting on their bottoms with their backs against the seat back.
- 3. You will follow the prescribed route to and from the field trip destination. No side trips.
- No electronic games, personal listening equipment (MP3, Cassette, or CD players or iPods) or cell phones.
- There will be no DVD or movie watching during the trip. Not all parents will want their children to watch movies or shows which may be perfectly acceptable to you.
- 6. You will observe all traffic safety laws especially speed limits.
- 7. Any student riding in your personal vehicle will need to have a signed permission slip from their parent, even if that parent is also riding in your vehicle.

Cadet Club Hours

Cadet Club is for working parents. But occasionally a parent needs to use the service due to unexpected situations that may arise.

Morning Cadet Club

Mon., Tues., Thurs., & Fri. The school doors will open at 7:30. No child may be dropped off before then.

For the parents that are not using Cadet Club, they may drop off their student after 8:05.

Any student dropped off before 8:00 will be asked to go to Cadet Club and the parent is charged for the morning $\frac{1}{2}$ hr. \$3.00.

Wednesdays work the same way. Even though school does not begin until 9:30 we do not charge for Cadet Club after 8:05.

Afternoon Cadet Club

Again, this is for working parents only. Cadet Club hours begin *after* afternoon pickups and ends at 5:30. There is a late fee of a \$1.00 a minute after 5:30. In this age of technology, the computer figures all charges. When a student is entered into the computer, the computer then charges \$6.00 an hour. For example, if a student is logged in at 3:45 and picked up at 4:00 the parent is charged for a full hour.
