Dear soon to be Kindergarteners,

We are so glad you are ready for kindergarten! We are excited to have you join our classes next year!
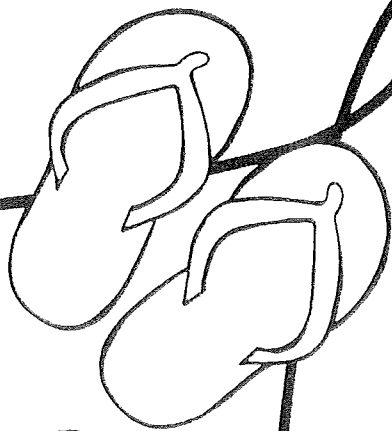

To help you have a fun summer and keep learning, we are giving you a special project – a reading BINGO board! You will make as many BINGO's as you can. Can you fill out the whole board and get a blackout? Just have someone read a book with you or read to yourself and then mark the space. You can use crayons, markers or even stickers to cover a space. You can use your own books or take a trip to the library!

To keep your math skills strong, you can work on the math pages included in your packet. Be sure to practice writing your numbers!
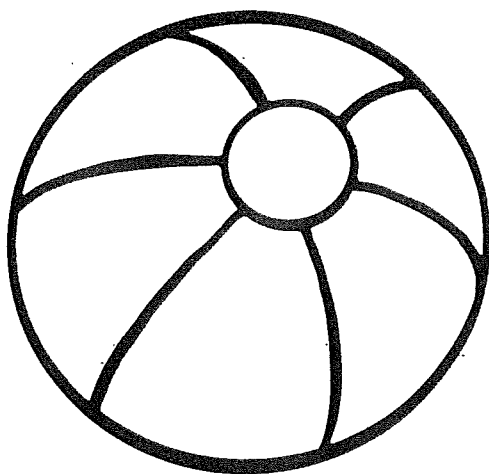

Moms and Dads, you can help your student by reading with them and finding a reward or fun thing to do for each bingo. Bring your board and math papers with you to Meet the Teacher Day in August for a special prize!
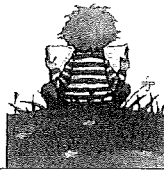

Happy Summer,

My Kindergarten Readiness Packet

Name: _____

READ in the bathtub! (no water, just blankets and pillows)	READ outside on a BLANKET	READ while eating a snowcone (CAREFULLY!)	READ to your pet	Have a READING PARTY with friends and treats
