

The Lion, the Witch, and the Wardrobe

6th grade summer reading

I am excited for you as you begin summer reading. This book is not only a mythical tale full of unique and imaginary creatures set in the fantasy world of Narnia, it is a book to challenge the reader's Christian worldview. It is a classic that should be read again and again. Readers will find themselves amongst moral struggles of the characters as well as the courage and strength of others.

Use this annotating (notes that you take as you read) guide as you move through the novel. You will be expected to employ active reading strategies such as taking notes on new characters, writing one sentence summaries of chapters, determining critical moments in the story line, and defining words that may be new or unfamiliar to you. You will then have a wonderful resource to review as you prepare to enter the Middle of The Brook Hill School. We will use this collection of notes in the first two weeks of school for in-class discussions and for your first in-class writing assignment.

*Some advice to consider as you work through this summer reading guide and novel. This is your first grade in the Middle. How you do in the little things is usually how you will do in the big things. It will be my first sample of the care you take in completing a task and in your attention to detail. It will be my first impression of your neatness, your handwriting, and your ability to write complete sentences. In the 6th grade, we avoid "that's good enough" and strive for excellence.

Whatever you do, do all for the glory of God
