

Dear Students—

Welcome 11th Grade Humanities! This summer, you must read *Fahrenheit 451* by Ray Bradbury. It is a science fiction novel by an American Author about the value of books and independent thought. Here is the ISBN so you can purchase the exact copy we will be using: ISBN: 9781451673319.

As you read, you are to write a summary for each of the three sections of the book. I've included an example of what it should look like on the following page.
