

Humanities 10 Summer Reading 2024-2025

Beowulf

Your assignment will be to read the poem, *Beowulf*. After doing so, you will choose three characters to whom you will be writing each a brief letter. Within each letter you must ask the character a significant question. The whole of each letter and the question you ask should reflect that you have both read the poem and have a good understanding of who the character is, their background, and the circumstances in which they have found themselves.

Each letter needs to be roughly 10 sentences. Each letter is to be typed, single-spaced.
