

Dear “soon to be Kindergarten students,”

We are so glad you will be joining us in kindergarten next year! To help you prepare for a great year we are sending home this packet for you to enjoy while learning over the summer.

A fun summer activity is to have mom or dad take you to the public library. Tyler offers many summer programs and reading times that would make for a great afternoon activity. Read or have someone read to you every day!

Practicing writing your letters and numbers as well.

Bring this completed project with you the first day of school for a special little treat. We can't wait to meet you and share a great year together!

Love,

Your Kindergarten Team

Welcome to Kindergarten
