GPA

Each student has a cumulative GPA calculated from traditional courses completed at The Brook Hill School in grades 9-12 on an unweighted 4.0 grading scale. Our program is designed so that all our students have a solid academic foundation and are well-prepared to perform in a demanding college environment.

CLASS RANK

We do not rank; however, we do weight numerical averages for determination of the Top 10%*, Valedictorian and Salutatorian. Select Honors (H), Advanced (AD), Advanced Placement (AP), and Dual Credit (DC) classes successfully completed at The Brook Hill School are given an extra weight of 3 or 8 points for the increased level of difficulty.
*Texas House Bill 588. This law guarantees Texas students who graduate in the top 10% of their high school class automatic admission to all state-funded universities.

CURRICULUM

The Brook Hill School offers an advanced, college preparatory education. Our curriculum is rigorous and culminates with college-level courses in all core areas.

CURRICULAR DISTINCTIVES

The Brook Hill School offers a classical, liberal arts education taught from a Christian worldview based on universal truths, foundational principles, endearing traditions, and the great literature of history taught in a multi-sensory, integrated format.

Brook Hill's Humanities program focuses on an intensive study of great writings, people, events, works and ideas that have formed and reformed civilization. Normative works of our culture are studied within their historical settings helping the students understand how the works and the people who wrote them were influenced by their times. This method also reveals the universal nature of the great works, which are classics because they somehow speak to all men at all times. The upper school courses are organized chronologically, moving from ancient civilizations to modern times. Emphasis is placed upon reading, writing, and speaking/listening skills.

BOARDING PROGRAM

The Brook Hill School provides a domestic and international boarding program for students in grades 8-12. Since 2003, Brook Hill has hosted students from countries such as Angola, The Bahamas, Cameroon, China, Czech Republic, Finland, Germany, Ghana, Hong Kong, Japan, Kosovo, Macedonia, Mexico, Micronesia, Netherlands, Nigeria, Paraguay, Saudi Arabia, South Korea, Spain, Sweden, Syria, Taiwan, Thailand, Turks and Caicos Islands, Ukraine, the United States and Vietnam.
